KickStart Youth Football League - Sunday

New Player Registration Form - Guidelines

All new players must be registered on a KickStart Youth Football League - Sunday 'New Player Registration Form - Season 2018/19'.

New player registration forms can be downloaded throughout the season from www.kickstartfootball.co.uk but not until **1st June 2018 onwards**

Please complete the form clearly and accurately in black ink making sure that you have provided all the information required and that the form has been **signed by the Player, one Parent/Carer and the Club Secretary**.

Please note that it is not a requirement for Under 7's or 8's to sign the form.

Before returning the form please check you have got the following as listed in 1 - 2 to send in with it:-

1. A **fee of £3.00**;
2. One **passport sized photograph of head and shoulders** (with no hats or sunglasses).

Please note that any new player registrations received that do not contain all the required signatures as underlined in **bold above**, and/or **£3.00** and/or a **passport sized photo** will be invalid until such time as it is completed to the satisfaction of the League Secretary/Registrar.

A new rule introduced this Season - Rule 8 (A) (ii) states Such that player ID data should not be held by Leagues or uploaded to the Whole Game System. Clubs are now required to confirm that they have checked the relevant ID and hold the data should inspection be required by Leagues. If a potential overage player is reported to the League, this could result in the player being deemed ineligible and the Club/Team being fined and/or docked points.

The form and enclosures can be sent by post or delivered by hand to **Elaine Pritchard – League Secretary/Registrar, 3 Hathersage Way, Sutton in Ashfield, Nottinghamshire. NG17 2BE** up until 2nd September 2018 and afterwards from the start of the season on 9th September 2018, but with the option also to leave the form with your Site Administrator on Football Reception any playing Sunday, for forwarding to the League Registrar.

The deadline for receipt of a player registration form every week is by 5.00 pm on the Friday preceding the playing Sunday. This is necessary to allow enough time for the form to be checked, the Player ID card to be printed and the Team Sheet to be updated.

When Player ID cards have been produced, they will be handed out initially at the League's Induction Meeting(s) either on 22nd August 2018 for new teams or 23rd August 2018 for existing teams, but after this they will be available for collection from your Football Reception on the following playing Sunday from when the form was received (see deadline above).

I hope this guide has been useful and contains all the information you require to help you register a new player throughout the season, but if not you can visit www.kickstartfootball.co.uk > Documents & Links > League Rules 2017/18 (update pending) and specifically > Qualification of Players, which is helpful because it explains the qualifying age of a player in all age groups and the formats; and you can contact the League Registrar with any queries by emailing elaine@kickstartfootball.co.uk or phoning 07718 688662.

NB: New player registration forms will be accepted throughout the season from 1st June 2018 up until 16th March 2019, unless there are exceptional circumstances; which would need approval by the League Management Committee. This is a Football Association Standard Code of Rule not a League Rule.
